Subject: Question on Allied Paper Landfill Site Cleanup in Kalamazoo

Hello Michael,

I'm thinking that EPA has made a formal proposal for cleanup of the landfill site between Alcott and Cork St in Kalamazoo, since it's a big topic in the media here in Kalamazoo. Is that document on the web site? I couldn't find it if it is so please send a link. My interest is to read it and send EPA my comments.

Thanks,

BTW, I'm the person who created the www.alliedpaper.net website. I used to work there, have an interest in local history and work in technology so a web site was a natural outcome. Please browse and enjoy it.
